Your Story, God's Story

Luke 1

Why is Christmas such a magical time of year? I think it's because everyone is expecting a miracle at Christmas. Consider all the popular movies. Each one has a miracle as its central plot. Whether it's a boy hoping his parents get back together, a shop-owner hoping he can keep his business running, or a town who needs a new hero to help "save Christmas."

You might be reading this and wishing for your own miracle this Christmas. It's probably much smaller than what makes a holiday movie. But it is no less important to you.

Maybe you're hoping a prodigal comes home. Maybe you're wishing for a job. Some are yearning for a special someone to sit next to, or better health or restored family relationships.

2,000 years ago, there was a couple who hoped for their own miracle. But like many, they had long given up on this dream. Zacharias and Elisabeth prayed for a child, but year after year, that prayer went unfulfilled. So, they gave up on the dream.

But this couple didn't give up on God. They stayed faithful. Then, one ordinary day, the extraordinary happened. Zacharias, a priest in Israel, was chosen to give the incense at the altar. This was a once-in-a-lifetime chance, a rare honor for such a common man. Then, as he performed this sacred duty, an angel of God appeared, breaking God's 400-year silence with Israel.

The angel told Zacharias that he and his wife, Elisabeth would have a son after all. He would have a special purpose and would prepare Israel for the coming of the Messiah, Jesus.

This all sounded impossible to Zacharias. Not the miracle itself—that Jesus would come, but that John would be the forerunner. Zacharias, as a believing Jew, knew the Scriptures and believed this.

He just had a hard time thinking God could use silly old him. After all, he and his wife were well past the child-bearing age. But, true to His word, God performed this miracle in the lives of Zacharias and Elisabeth. John the Baptist led revival in Israel and would later baptize Jesus Christ, the very son of God.

But let's focus on Zacharias and Elisabeth. They were faithful people in a time of unfaithfulness. And yet they had given up on the dream God had planted in their hearts—the dream of having a son. What's interesting is that Zacharias had no problem with the big miracle: God sending a Son to be born of a virgin and be the Saviour. It was the little miracle he had trouble with, the miracle in his own life. Even though God had done a similar thing in Sarah and Hannah and Rebekah and Rachel, Zacharias refused to believe his wife, Elisabeth could bear a child.

He did something we often do. We believe in the big things of God—sending a son to be our Saviour, Creation, Heaven—but when it comes to smaller miracles, we limit Him. It's as if we say, Yes, God can create the earth in six days, be born of a baby, and send us to Heaven, but He can't possibly change me, fix a relationship, get me a job.

And God's answer is Yes I can. You see, the biggest miracle has already been done—Jesus. Everything else is small to God.

So maybe today, like Zacharias, you're letting God know that there is something too big for Him. Something even He can't fix. And the story of Zacharias tells us that there is nothing too hard and that God is still in the business of doing miracles. Even in your own life.

And we pray, Lord, help us to trust in you, and open our eyes to see the everyday miracles in our own lives – big and small. Amen

TRANSITION DAY TODAY

It was great to see the excitement on our students faces today as they spent some time in their classes for next year. Our new Foundations joined Mrs Edmunds and worked with Mrs Upton and Mrs Underdown, as well as Tulasi from the Gums and Julie from CVCC. We welcomed all new students across all year levels. Each student spent some time getting to know their teacher and new class mates. For some it was exciting to get back together with friends they were with last year, and for others there were new friends to be made. Next Tuesday we have our final Foundation Transition visit and then we finish off the year with our current cohort. We are still taking enrolments for new students in all year levels for 2020. Please refer any enrolment enquiries to either myself or Jennie in the front office.

YEAR 6/7 BBQ

We had a great night celebrating with staff and our senior school families on Monday with a casual BBQ and get together in the STEM room. We had the chance to thank Lena for all her work with the 6/7s this year and to spend some time with our leaving families- many of whom have been here since their children were in Foundation. Thanks to Kerry for all of her organisation and to Leigh for helping BBQ. Also, thanks to all of the staff who came along. A wonderful night together.

ADVENT EVENING THIS SUNDAY

This Sunday at 5pm, St Pauls Lutheran Church is celebrating Advent with a short worship service, a combined tea and some games together. Our school choir will sing at the beginning and end of the service and we invite all of our school community to join in the fun. Advent is the season where we prepare for Christmas, so this is a great way to start the festive season. St Pauls is located in Sabine Street at the top end of the Main Street. Come along. It starts at 5pm. The worship service is for approx. half an hour and the rest going until about 8pm. We'd love to see you there.

VOLUNTEERS AFTERNOON TEA

We will be holding a volunteer's afternoon tea on Friday the 6th of December just before assembly. This is a lovely chance for our school community to thank all of our wonderful community members who help us in such a wide variety of ways. All members of our community who have volunteered in any way are invited and encouraged to come along. If you can't, please know that we really value what you do for us and think you are very special.

VALEDICTORY SERVICE

Over the next few weeks there are a number of end of year class based student excursions and celebrations, including our Fun day and annual Choir tour. On the last day of the term, we have a whole school end of year Valedictory service starting at 7pm. All Vineyard families are encouraged to attend – we anticipate it will go for an hour and it's a lovely way to say goodbye to our leaving students and their families. All old scholars, community and congregational members are welcome. We would love to share this night together before we break for Christmas.

REMINDERS

On the last day of term our Casual Day will support Backpacks for Kids. This is a charity who provide clothes and toys for children who have none. We are collecting second hand clothes or toys in good condition and would love to be able to take a carload to support this worthwhile cause. You can drop them off in the office over these next two weeks and we will pass them on before Christmas. Thanks to everyone who has supported our chapel offerings with money and Christmas Hamper donations for CVCO over these last few weeks. Your support is greatly appreciated.

Blessings to you for the coming week,

Michelle

Advent candles

Open with a simple prayer

John 8:12

Light the **FIRST** candle on your Advent wreath and ask 'why do we light this candle?' Respond 'This candle reminds us of the promise that a Messiah would come, bringing peace and love to the world.'

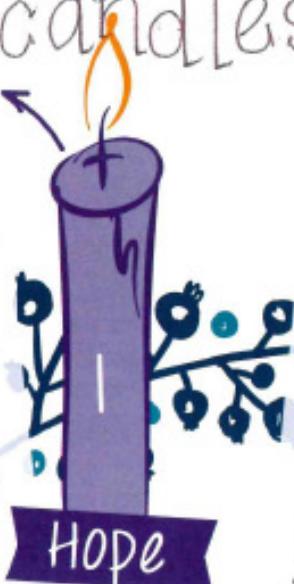

Isaiah 9:2-7

What does this tell us about God?

Silent Night

Thank Jesus for being our Hope

Hope In Action - Decorate the Christmas tree together. As you hang ornaments, reflect and talk about how the evergreen trees symbolise life in the middle of winter even as Jesus is the resurrection and the life. When you glance at the twinkling lights, remember that Jesus is the Light of the World and he calls us to be shining lights in the darkness. Consider making ornaments to remind you of Jesus' names.

Christmas Day

LOVE

Open with a simple prayer

Isaiah 9:2

Light the **FIRST FOUR** candles on your Advent wreath and ask 'why do we light the love candle?' Respond 'This candle reminds us that God demonstrated his love by sending his Son Jesus to be born in a manger and die for our sins, so we may live forever with him.'

John 3:16 and Luke 2:8-20

What does this tell us about God?

Away in a Manger

Thank Jesus for being our Love

Love In Action - Bake a birthday cake for Jesus, the Son of Man, who left the splendour of heaven to take on human flesh. Encourage your family to think of ways they might say "Happy Birthday" to Jesus by showing love to someone around them.

Open with a simple prayer

John 1:4-5

Light the **FIRST TWO** candles on your Advent wreath and ask 'why do we light the second candle?' Respond 'The second candle reminds us that the prophets waited for a Messiah to come and save the people.'

Isaiah 40:3-5 and Luke 1:26-38

What does this tell us about God?

O Come, O Come Emmanuel

Thank Jesus for being our Saviour

Preparation in Action - Write a letter to Jesus, responding to what you've learned about him this week. Thank him for who he is, confess any sins that have accumulated in your life, and ask him to give you a deeper love and understanding of him. Then surrender any area of your life that is hurting this Christmas season, and ask him to fill you with his joy.

Preparation

Open with a simple prayer

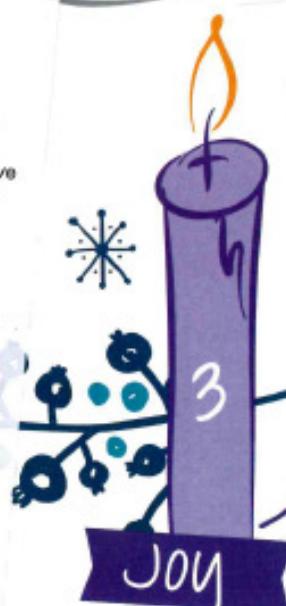

2 Corinthians 4:6

Light **ALL FIVE** candles on your Advent wreath and ask 'why do we light the fifth candle?' Respond 'This candle shows us that the waiting is over. Jesus Christ, the Messiah, is born!'

John 1:14 and Luke 2:1-40

What does this tell us about God?

Hark the Herald Angels Sing

Open with a simple prayer

Psalm 97:11-12

Light the **FIRST THREE** candles on your Advent wreath and ask 'why do we light the joy candle?' Respond 'The third candle reminds us that Jesus' birth brings joy to all who believe in him, so we join all of creation in celebrating him.'

Matthew 2:10-11 and Luke 2:1-7

What does this tell us about God?

Joy to the World

Thank Jesus for being our Joy

Joy In Action - Ask grandparents about what Christmas was like when they were kids. Share family memories together, and consider how the joy of Jesus' birth—the Alpha and Omega—has been a continuous cause for celebration year after year, even though customs and traditions may change.

Students of the Week –

Term 4, Week 7 – Class & Community Awards

Lainey Mullighan – For demonstrating **SERVICE** by cleaning up after a cooking activity without even being asked. Thank you Lainey 😊

Harrison Young – For demonstrating **HOPE**. Thank you for trying so hard with your concentration. Well done Harrison.

Cooper Clark – For demonstrating **COURAGE** by going out of his way to introduce himself and shake hands with the residents at Kara House.

Declan Smart – For demonstrating **SERVICE** in and outside of the classroom all week. You have been compassionate and forgiving. You are always one of the first students to help out. Well done Declan 😊

Manjot Kaur – For demonstrating **LOVE** by playing board games with residents at Kara House by herself. You should be proud of having the courage to put yourself out of your comfort zone for others.

Students of the Week are presented at our Assembly every Friday afternoon at 2.45pm. Family and friends are welcome to attend.

Valedictory Sponsorship

Would you like to be a sponsor for one of our awards presented at our Valedictory Service?

We are giving families the opportunity to sponsor these awards by way of a monetary donation of the value of your choice.

Your donation will go towards covering the cost of the purchase and engraving of the medallion each award winner receives.

If you are interested, please come and see Jennie in the front office for more information.

House Games BBQ- Help Needed

Do you have 1-2 hours free on Monday 9th December to help cook the BBQ for our House Games afternoon? If so, we would love a couple of volunteers from 11.30am – 1.30pm. Please contact Ben Plowman 0408 016 100 for more information or to volunteer.

Mobile Science Education

On Monday next week the Mobile Science Education group is visiting the school. This is an engaging education experience for the school to be involved in.

The Foundation – Year 3's will be having a hands-on workshop looking at 'How Materials Work', which has a Chemistry aspect to it. The Year 4-7's are also looking at matter, but they have an interactive show which looks at properties, changes and mixtures.

After lunch the Year 4/5 class will be having a hands-on workshop on 'Our Forensic Puzzle'. This is a thinking science skills workshop.

It's great to have these opportunities at school and see groups willing to travel from Adelaide.

Can you help?

If you enjoy being out in the sunshine (hot or cold) and are looking for a little tractor time, in a way that is a great help to our school community, we would love to welcome you to our small team of oval mowing volunteers. Any amount of time that you may be able to contribute will be a help. We will provide all the equipment and will give you an induction and plenty of practise on our Kubota zero-turn self-propelled mower. You will just need some spare time and be willing to have a Working With Children screening check (provided free of charge). If you are interested, please contact Grant Goodwin at the School 88421 808 or 0402 818 417.

Library News

A huge **THANK YOU** to all of the students who have diligently returned their library books on time this year - best year on record for returns!! As it is nearly the end of the year, all library books and readers need to be returned by the end of week 8. No books or readers will be borrowed during the last 2 weeks of the term to ensure items are all returned before the end of the year. So far we only have a few overdue books. If your child has received or does receive an overdue library book note and you feel they have returned it, please contact Christina and she will double check!! Thank you so much everyone!

Congratulations Kek!

Congratulations to Year 3 student Kek Toon who was recently awarded a trophy from the Seaton Calisthenics Club for completing Calisthenics classes in 2019. Well done Kek, you should be very proud of your achievements!

What's happened this week at Vineyard...

Faith Challenge

Last Friday we had 27 students from Year 3 - 7 represent the school at Faith Challenge held at Faith College, Tanunda. This is the regional Athletics competition for Lutheran schools.

In perfect conditions the students should be very proud of their achievements and effort on the day.

Tegan Kloock had a great day winning 3 events. She won her long jump first up and then followed this with the 100m & 200m double.

Mackenzie Victor won her High Jump and set a PB. In her 200m she hit the front early and never looked like being beaten. She finished the day with a 2nd in the 100m.

Lucy Menadue put in a great run first up in the 800m coming 2nd, then followed this with a 3rd in the 100m & 200m.

At the end of the day and for the 2nd year in a row we were Runner-Up to Angaston in the Average Trophy.

Well done to the students on the way they represented the school.

Thank you to the all the parents who travelled down and supported the children.

Building Project Update

This week we have seen further progress on our building project with the footings being poured during the week. We look forward to being able to share some more photos with you as the building process moves along.
