## Wire

We have come to the end of another school term! A welcome break from the routine of having school uniforms cleaned and ready to wear... and the challenge of making the lunchtime menu tasty and edible... and finding fruit... and making sure we have our children in bed early enough that they'll be awake in time for breakfast and ready to attack the day with excitement!

Holidays!

Rest.

When I think back on my school holidays I remember particularly times of being able to sleep-in, and ride my bike, read a book or two, and explore our neighbourhood with friends. And for some reason Mum always had a garden bed the size of a paddock that we'd have to weed by hand before the holidays were done.

The dictionary describes rest as the stopping or relief from work or activity. Holidays. But it also describes rest as relaxation, or a refreshing calm, and peace. And a freedom from worry.

Jesus speaks to us and tells us that he will give us rest (Matthew 11:28). Even if we're weary and burdened. The kind of rest that brings us freedom from worry. The kind of rest that our children have a taste of because they know that as their parents, we love them, and provide for them. Like the clean school uniforms, and lunches, and the fruit... and a hug, conversation, and warmth of family...

While we may not all be able to take time away from our usual routine like our children at this time, we pray that in whatever you may be doing these next few weeks you will find rest... and a hug, some conversation, and the warmth of family! And maybe a donut (or two)...

*Psalm 23:1-3 The Lord is my shepherd; I shall not want. He makes me lie down in green pastures. He leads me beside still waters. He restores my soul.*

## Concert

What an amazing concert last night! The students did an wonderful job singing, acting and dancing to numerous songs and storylines. This year we went back to the traditional School Concert format with each class deciding on their own style of items based on the talents and interests of the students. On Wednesday we invited the Gums Childcare Centre, The Clare Valley Children's Centre, Carinya and Kara House Aged Care Facility residents to come along and join us as the live audience for our matinee performance. It was lovely to have the Gums and the CVCC come along. Unfortunately, the residents from Carinya and Kara House were unable to come this time, but they were excited to be asked and we hope it will suit next time. A big thank you to:

- all of our classroom teachers for putting together the amazing concert items,
- our support staff including Grant, Amy and Christina for all of their work on sound, lighting, the stage and programmes,
- Lorna and Brian Harvey, St Paul's Lutheran Church in Clare, Roger Hein, and the Influencers Church for loaning us and delivering chairs, microphones /sound and lighting equipment for the night,
- our parents for sourcing costumes and supporting our children to learn lines and dance routines,
- and most of all to our students. We are enormously proud of your effort, what you have achieved and enthusiasm you showed. Well done! It was just awesome!

## Choir Excursion

Today our choir visited Kara House to sing to them as part of our regular community calendar. It is always a joy for us to see their faces when our students sing to them and we thank Lena and Ruth for organising this visit. We hope to continue this service on a regular basis with choir and class based activities in our local aged care facilities, as we see these interactions as something very special and beneficial for both parties. Thank you Lena, our choir, and our parents who provided transport so we could make this happen.

## Term 4

Today we have enclosed the Term 4 calendar. Term 4 is always busy with transition dates, Canberra Camp for our Year 6/7s, Sports day, and the end of year events. We will continue to update this via the Term's Upcoming Events column in the Wire each week, so please check this on a regular basis.

## Building Project

Our building project will start next week in earnest. It will be great to watch our planning come to life over this coming term. We remind families that building sites can be dangerous places and restricted access means we need to stay out while the project is underway – even out of hours. Please keep the carpark row closest to the office for building site vehicles and buses only. We thank you for your co-operation and encourage you to keep an eye on what's happening. It's pretty exciting!

## End of term

As this term winds to a close I would like to thank our staff (including our wonderful relievers) for their dedication and commitment to providing the best possible learning opportunities for our students. There is no doubt that they have our students' best interests at heart. We thank them all for their efforts this term and pray they all have a relaxing holiday break.

We look forward to a busy Term 4, starting again on Monday 14<sup>th</sup> of October.

Blessings to you all for a safe and relaxing holiday break,

Michelle

## Disco Diva's at Vineyard

On Thursday Week 9 we had our whole school disco in our stadium. We had lots of fun. There were prizes for winning games and for great dancing. We played limbo, balloon dancing and popular dances like the chicken dance, YMCA and Nutbush. We had a photobooth where we could get some photos with our friends. Thankyou for coming. We hope that you had fun. Thankyou to Mrs Underdown and Mrs Upton and all the other people that helped set up and to run the games. Hannah Neill - (Minister for Community & Public Affairs)

# SAPSASA Soccer & Hockey

During Week 8 Chloe Morrison-Smart and Will Upton represented the Mid North at the SAPSASA Soccer and Hockey Championships in Adelaide.

Chloe played soccer and found the week very enjoyable she was able to make some great friends and improve her skills. The team played a total of eight games against teams from all around the state. The team's skills showed great improvement throughout the carnival and they worked really well together. The highlight of the week for the girls was a 2-0 win against Murraylands and 2 penalty goals scored against Northern Yorke Peninsula and North Eastern.

Will went away for his 2<sup>nd</sup> year of hockey and found the experience more demanding this year, being one of the better players for the Mid North team. The team improved on their effort last year winning 4 of the 8 games played and finishing 3<sup>rd</sup> overall. The highlight of the week was a 5-0 win which allowed the team to finish 4<sup>th</sup> from 8 teams. There were many good teams playing, with one team having 4 State representatives. Mid North lost in a close tussle 0-2. Thank you to Mr Upton for coaching the Mid North Hockey team this year.

# Parents & Friends Notice

WHERE  
- TO -  
NEXT  
?

As we approach the end of the school year, the Parents and Friends have been having discussions around the future of the Committee. We have seen a substantial drop in volunteers over the last 5 years, which is making it increasingly difficult for our small group to continue to coordinate events.

As part of these discussions we have looked at the structures for parent groups used at other small schools and talked about what might work better for our school.

We would like to adopt a structure where there is an opportunity for events to still be held, but rather than being coordinated and run by a set committee of people, the opportunities to organise these events will be offered to the whole community. There will be consultations between organisers of events, the Principal and the "Principal's Parent Liaison", but no other formal meetings.

Parents and Friends raise approximately \$7000-\$10,000 per year that goes directly back to the school for the benefit of our students.

We would like to see events like the Mother's Day Stall, Father's Day Stall, School Fair, Election Stall and the like, continue on. However, if there are no willing volunteers to organise them, they won't be able to happen. We hope that the community will continue to support the school by getting behind these events and other events that they would like to see happen.

With that in mind and as a result of these changing times, we are proposing to dissolve the current structure of having the formal Parents and Friends Committee. It is possible for the Parents and Friends Committee to be reinstated in the future.

**We would like to acknowledge and thank all who have volunteered their time and supported the Parents and Friends Committee since its inception. Many, many hours of work have gone into organising the events over the years and coordinating things like catering events, ice blocks, lunch orders, barbeques, morning teas, suppers and more. We are grateful for your support.**
